## TABLE OF CONTENTS

### 1 Introductions

- 1.1 Using Terror to Create Quasi-Dictatorial Power
- 1.2 The Need to Create Terror to Strengthen the Military-Industrial Complex
- 1.3 The Gullibility and Lack of Sophistication of American Citizens
- 1.4 The Gullibility and Lack of Sophistication of the World Populace
- 1.5 Encouraging the Compliance of Major Media Conglomerates
- 1.6 Encouraging the Compliance of Corporate America

### 2 Blueprint for Reigning Terror from the Skies

- 2.1 Setting the Stage, Pt. 1: Arming and Financing Terror in the Name of Freedom
- 2.2 Setting the Stage, Pt. 2: Creating a De-facto Puppet U.S. Government
- 2.3 Setting the Stage, Pt. 3: Bailout — Finding Cooperative Airline Companies
- 2.4 Setting Targets, Pt. 1: Three Icons of the American Psyche
- 2.5 Setting Targets, Pt. 2: Profiting from the WTC Complex
- 2.6 Setting the Date: 9.11.01 — A New Day of Infamy
- 2.7 PSYOPS: Eliminating the Need for Expansive Cover Up

### 3 New York Blitzkrieg

- 3.1 Introduction: World Trade Center Twin Towers
  - 3.1.1 Bait & Switch: Airliners and/or Missiles as Cover for Demolition
  - 3.1.2 Engineering Analysis: Impact/Fires Not Enough to Topple Towers
    - 3.1.2.1 A Guide to the Understanding Twin Towers Challenges
      - 3.1.2.1.1 Jet Fuel Fires Unlikely to Burn Long Enough or Hot Enough
      - 3.1.2.1.2 Jet Fuel Fires Unlikely to Ignite Surrounding Flammable Materials
      - 3.1.2.1.3 Flammables Unlikely to Burn Long Enough or Hot Enough
      - 3.1.2.1.4 Denying Towers Could Withstand Impacts and Fires
      - 3.1.2.1.5 Overcoming Bomber-Empire State Building Connection
      - 3.1.2.1.6 Denying Skyscrapers Have Never Been Felled by Fire
      - 3.1.2.1.7 Clear and Convincing: Overwhelming Percentage of Forensic Experts to Accept Government Findings and Conclusions
    - 3.1.2.2 Encouraging Jumpers Despite Evident Survivability, Lack of Heat Motivation
      - 3.1.2.2.1 Pulsed Energy Projectiles
  - 3.1.3 Logistical Analysis: Passenger Jets vs. Military Aircraft
    - 3.1.3.1 Fooling Eye-Witnesses
    - 3.1.3.2 Disguising Faked Passenger Jets
  - 3.1.4 Total Demolition or Nothing
    - 3.1.4.1 Profiting from Terror: Harvesting Insurance Industry
    - 3.1.4.2 Impacts, Fires, Deaths, Jumpers Alone Not Enough to Scar American Psyche
    - 3.1.4.3 Impossible to Convince Insurance Company, Public that Damaged Towers Could Not be Repaired
  - 3.1.5 Taking Candy: Recovering Twin Tower Gold
- 3.2 Introduction: WTC 7
  - 3.2.1 Destroying Critical Information About Clandestine Attacks, Other Crimes, Investigations, and Financial Records Stored at the WTC 7
    - 3.2.1.1 Public, Media Uninformed About Significance of WTC 7
    - 3.2.1.2 Securing WTC 7 Significance from Public, Media

- 3.2.2 Using Tower Attacks as WTC 7 Demolition Cover
  - 3.2.2.1 Engineering Analysis: Collateral Impact Damage and Resulting Fires Not Enough to Topple WTC 7
  - 3.2.2.2 Inserting Controlling Agents in the NYFD
  - 3.2.2.3 Creating Believable Footage of Firefighters Suggesting WTC 7 to Collapse
  - 3.2.2.4 Collecting Insurance Profits without Raising Suspicion of Public or Industry
- 3.3 Building the New York Attack Team
  - 3.3.1 Terrorism: Making Imagination Reality
    - 3.3.1.1 Creating Feasible Arabic Terrorist Team
    - 3.3.1.2 Friendly Foe: Bin Laden Taking Credit
    - 3.3.1.3 A Guide to Faking Bin Laden, if Necessary
    - 3.3.1.4 Deniability of Bin Laden Association
    - 3.3.1.5 Getting Bin Laden Family to Safety
    - 3.3.1.6 Training Actor Terrorists
    - 3.3.1.7 Creating Convincing Interactions between Terrorists and Pilot Schools, Airport Security, and Other Points of Contact
  - 3.3.2 Creating New York Passenger Lists and Crews
    - 3.3.2.1 Logistical Analysis: Creating or Borrowing Identities
      - 3.3.2.1.1 Creating Authentic and Verifiable Family Structures and Histories
      - 3.3.2.1.2 Using Actors as Families
      - 3.3.2.1.3 Using Compliant Media to Fake Family Interviews
      - 3.3.2.1.4 Disposing Real Passengers and Crews
        - 3.3.2.1.4.1 When Family Accompanies Passengers to Airport
      - 3.3.2.1.5 Faking Voices in Real Time
        - 3.3.2.1.5.1 New Technologies to Fool Close Relatives
    - 3.3.2.2 Feasibility Study: Using Passengers and Crews in the Attacks
    - 3.3.2.3 Feasibility Study: Getting Families to Cooperate
  - 3.3.3 Demolition Pyrotechnics Team
    - 3.3.3.1 Setting Explosives in Plain Site
      - 3.3.3.1.1 Overcoming Eye-Witness Office Workers
      - 3.3.3.1.2 Overcoming 24-Hour Security
      - 3.3.3.1.3 Cooperation of Board of Directors
    - 3.3.3.2 Finding Cooperative Demolition Specialists
    - 3.3.3.3 The Untraceable Explosive: Thermite
    - 3.3.3.4 Discharging Explosives
      - 3.3.3.4.1 Ease of Hiding Controlled Demolition
      - 3.3.3.4.2 Ease of Protecting Explosive Devices at Impact Point
      - 3.3.3.4.3 Timing Discharges to Create Top-Down Collapse
      - 3.3.3.4.4 The Problem of Squibs
    - 3.3.3.5 Overcoming Questions About Pace of Collapse
    - 3.3.3.6 Media and Public Unlikely to Scrutinize or Film Impact Aftermath and Collapse
  - 3.3.4 Clean Up Team: Hiding Evidence in Plain Site
    - 3.3.4.1 Finding Cooperative Clean-Up Team
    - 3.3.4.2 The Deniability of Thermite-Steel Reaction
    - 3.3.4.3 Importance of Not Leaking Photographs Showing Thermite-Steel Reactions in Rubble Pile
    - 3.3.4.4 Informing and Protecting Key Politicians Without Raising Suspicion
    - 3.3.4.5 Informing and Protecting Key Allies and Citizens Without Raising Suspicion

#### 4 Pentagon Ballet of Terror

- 4.1 Terminating the Pentagon Finance Team and Finance Command and Control
  - 4.1.1 Covering Trillion Dollar Theft
  - 4.1.2 Importance of Not Leaking Theft to Press Prior to Attacks
- 4.2 Protecting Rumsfeld Without Raising Suspicion
- 4.3 Bait & Switch: Using Airliner to Cover Drone/Missile Attack
  - 4.3.1 Engineering Analysis: Passenger Jet Will Likely Pass Through Entire Complex
  - 4.3.2 Making a Missile Explosion Look Like Passenger Jet Explosion
  - 4.3.3 Feasibility Study: Problems With Using Smaller Passenger Jet
- 4.4 Logistical Analysis of Pentagon Misdirection
  - 4.4.1 Timing Constraints: Fooling Eye-Witnesses
    - 4.4.1.1 Planting Key Eye-Witnesses
    - 4.4.1.2 Countering Real Eye-Witnesses
    - 4.4.1.3 Private Surveillance Cameras
      - 4.4.1.3.1 Using FBI to Confiscate Private Footage Minutes After Attack
      - 4.4.1.3.2 Delaying Prompt Release to Public Should Not Raise Suspicion
      - 4.4.1.3.3 Convincing Public No Adequate Surveillance Within 30 Miles
    - 4.4.1.4 Pentagon Surveillance
      - 4.4.1.4.1 To Film or Not to Film?
      - 4.4.1.4.2 Importance of Not Leaking Footage Before Extensive Editing
    - 4.4.1.5 Using Media to Push Passenger Jet Attack
  - 4.5 Fortifying Pentagon Against Missile Attack
    - 4.5.1 Coincidence as Deniability
    - 4.5.2 Convenience as Deniability: Proposed Missile Path to Follow Washington Monument Landmark
    - 4.5.3 Waiting to Fortify Entire Building Before Attack
    - 4.5.4 Using Airliner or Military Aircraft to Strike Pentagon
  - 4.6 Planting Evidence
    - 4.6.1 Knocking Down Light Poles in Plain Sight
    - 4.6.2 Damaging the Generator as Cover
    - 4.6.3 No One to Notice or Photograph Unharmed Lawn Before Gravel Cover Up
    - 4.6.4 Creating, Transporting, and Planting Engine Parts, Landing Gear, etc.
      - 4.6.4.1 Photographing Planted Evidence in the Best Light
    - 4.6.5 Flight Recorder Data: Deniability of Contradictory Raw Evidence
      - 4.6.5.1 Cause for Concern: FDR Data Always Reliable, Always Found
      - 4.6.5.2 Timing the Release of Contradictory FDR Data at a Time No One Will Care
      - 4.6.5.3 Ensuring Faked FDR Data Matches Official Story
    - 4.6.6 Logistical Analysis: Planting Body Parts
      - 4.6.6.1 Faking DNA Evidence and Reports
    - 4.6.7 Mingling First Responders with Clandestine Agent Response Team
    - 4.6.8 Easy to Convince Public Partially Trained Terrorist Could Fly
      - 4.6.8.1 Okay to Use Bad Pilots as Cover at Flight Training Schools
  - 4.7 Building the Pentagon Attack Team
    - 4.7.1 Choosing the Right Passenger Jet Pilot
    - 4.7.2 Agent Response Team

- 4.7.2.1 Evidence Planting Team
- 4.7.2.2 Clean Up Team
- 4.7.3 Eye-Witness Teams
- 4.7.4 Drone Pilot / Missile Team
- 4.7.5 Building Pentagon Passenger List and Crews (See 3.3.2)

## 5 The Fourth Airline Attack

- 5.1 Introduction: Faking the Capitol Attack
  - 5.1.1 To Intercept or Not to Intercept?
    - 5.1.1.1 Cheney Preference: Shooting Down Passenger Jet
      - 5.1.1.1.1 Hiding Intercept Evidence and Debris Field
      - 5.1.1.1.2 Creating Law and Opportunity for the Vice President
    - 5.1.1.2 Rumsfeld Preference: Secretly Landing Plane at Airfield
      - 5.1.1.2.1 Disposing Passengers by Sending Them on Lifetime Vacation to Hot Vacation Spots, Paying Off Family Members to Lie About Deaths, or Convincing Passengers to Abandon Families Forever

### 5.2 Building the Fourth Airline Team

- 5.2.1 Creating Myth: Everyday Heroes
  - 5.2.1.1 Building Passenger Lists and Crews
    - 5.2.1.1.1 Creating or Borrowing Identities
      - 5.2.1.1.1.1 Hiring Actors as Families
      - 5.2.1.1.1.2 Creating Authentic and Verifiable Family Structures and Histories
      - 5.2.1.1.1.3 Using Media to Fake Family Interviews
      - 5.2.1.1.1.4 Faking Voices in Real Time
    - 5.2.1.1.2 Denying Cell Phones Wouldn't Work and Determining Which Passengers and Crew Will Use Them
    - 5.2.1.1.3 Determining Which Passengers and Crew Will Use Airphones
  - 5.2.1.2 Analysis of Hollywood: The Right Cockpit Script, Acting Keys to Effective Misdirection
    - 5.2.1.2.1 Faking Arab Voices/Dialect Convincingly
- 5.2.2 Crash Site Creation and Clean-Up Team
  - 5.2.2.1 Dynamics of Creating a Fake Crash Scene
    - 5.2.2.1.1 Creating Small But Plausible Crater
    - 5.2.2.1.2 Creating Plausible Scorched Earth
    - 5.2.2.1.3 When Funds Are Short: Planting as Little Evidence as Possible and Still Getting Away with It
      - 5.2.2.1.3.1 Keeping Media and Eye-Witnesses from Crash Scene
      - 5.2.2.1.3.2 Importance of Not Leaking Crash Scene Photos that Reveal No Jet Crashed
    - 5.2.2.1.4 Easy to Convince Public that "Anything Can Happen" Despite History of Other Accessible Passenger Crash Sites
  - 5.2.2.1.5 Rejected: Planting Body Parts or DNA Evidence
    - 5.2.2.1.5.1 Faking DNA Evidence
    - 5.2.2.1.5.2 The Local Coroner: Useful Idiot
  - 5.2.2.1.6 Planting Eye-Witnesses
  - 5.2.2.1.7 Countering Real Eye-Witnesses

## 6 Shock & Awe

- 6.1 Operation: Brood Parasite Team
  - 6.1.1 Human Resources: Few Crew Needed to Plan, Implement, and Cover Up Attacks
    - 6.1.1.1 Payroll, Vacation, Holiday, and Other Expenses
  - 6.1.2 Training
    - 6.1.2.1 Agent Faked Eye-Witness Testimony
    - 6.1.2.2 Agent Faked Family Members
    - 6.1.2.3 Faking Forensic Experts
    - 6.1.2.4 Faking 9/11 Calls and More
    - 6.1.2.5 Media Information Control Teams
    - 6.1.2.6 Creating Ironclad Docudramas and Movies
    - 6.1.2.7 Misdirection Team
      - 6.1.2.7.1 Explaining Away Video of White Team Passing Around Ball
  - 6.1 Crippling Air Defenses Without Drawing Suspicion
  - 6.2 Creating Realistic Air Traffic Control Recordings of Incompetence and Abject Panic
  - 6.3 Hakuna Matata: Little if Any Logistical Problems Executing and Covering Up Proposed Attacks on Unobservant and Distracted American Populace

## 7 Getting Away With It: The Propaganda Machine

- 7.1 The Media: Friends Telling Lies
- 7.2 The Experts: Paying or Threatening Experts to Publish Propaganda
- 7.3 Building Relationships: Controlling Eye-Witnesses, Actors, Agents for a Lifetime
- 7.4 Plausible Deniability, Pt. 1: Creating the Image of an Incompetent Administration
- 7.5 Plausible Deniability, Pt. 2: Using Conspiracy “Kooks” and Guilt By Association
- 7.6 Using the Information Age, Pt. 1: Being the First to Publish Evidence Implicating Government
- 7.7 Using the Information Age, Pt. 2: Flooding the Internet and New Media with Both Anti-Government Evidence and Pro-Government Propaganda Immediately Following Attacks
- 7.8 Convincing Uncontrolled Law Enforcement (FBI, CIA, etc.) Agents and Forensic Experts Not to Pursue Contradictory Evidence or Obviously Staged Setups
  - 7.8.1 The Psychology of Poking Fun
  - 7.8.2 Questioning Their Patriotism or Just Kill Them?
  - 7.8.3 Reminding Them Superiors Know Better
- 7.9 Will Hollywood Blow Lid on Contrivance of Staged Scenes and Witness, Evidence Tampering, Killing Whistle Blowers and Uncooperative Acting Agents?
- 7.10 Creating the Official Investigating Committee: Ensuring a Staff, Chairmanship that Will Appear Fair and Impartial to the Media and Public.

## 8 Addendum

- 8.1 Discarded Alternatives
  - 8.1.1 Using terror mole to create opportunity, open door for Arabic hijackers to enter country, commandeer passenger aircraft, and execute attack with passenger airlines and for the most part just letting it happen.
  - 8.1.2 Nationwide Suicide/Car Bombs or Other Smaller-Scale, More Manageable Terrorist Attack Wave
  - 8.1.3 Attacking Iraq Without Connecting It to Terrorist Attack
    - 8.1.3.1 Ironclad Evidence: Weapons of Mass Destruction
- 8.2 George W. Bush: Stealing an Election and Setting Up this Asinine, Pliable Puppet
- 8.3 More Useful Idiots: Bill O'Reilly, NBC Today, and Mark Roberts
- 8.4 Importance of Not Leaking This Document Before or After Attack
